Discussion/Action – Façade Loan Application for Buck Creek Holdings

Ryan Collins of Edward Jones was present to discuss his project and new building on Keller Ave. He has already started work on the building and much of the exterior work is almost done. He is seeking a loan of \$60,000 to pay off the costs of the exterior work and to complete the interior renovations. He is hopeful that he will be able to expand in the near future as well. The financials for his application all checked out and the Committee was in favor of approving the loan.
