Ordinance 04-2023 – Amendments to Ethics Board Ordinance – This ordinance was drafted by the attorney. The council would like more time to read through the ordinance. No action was taken at this time.

City of Amery Billboard Discussion – The City has three billboards currently. Two on Hwy 8 and one on Hwy 63. One on Hwy 8 was in poor condition but has been wrapped to update it. It was suggested that information about the billboards should be prepared for the budget so it can be included with in the annual advertising budget. It was also suggested that the Community Club could provide some funding in the future for agreed upon content.

Motion by Flanum; seconded by Van Blaricom; to adjourn at 6:27 P.M.
