**September 12<sup>th</sup>, 2023**

The Amery Recycling Committee met on September 12, 2023, at the Amery City Center. The meeting was called to order at 10:03am.

**Roll Call:** Deputy Clerk-Treasurer, Taylor Larson conducted Roll Call.

Present: Gloria Lansin, Mike Manor, Sharon Paulson and Eric Elkin

Absent: Michael Larsen

Others Present: Deputy Clerk-Treasurer, Taylor Larson

**New Business**

1. **Recycling Master Plan:** The committee reviewed a statement that will be the official phrase of the committee. They also discussed coming up with quotes to hang on bulletin boards around town to encourage recycling. These notes would have an encouraging quote, the committee’s slogan, and perhaps a logo. The committee also reviewed each person’s role in the education plan. The committee will be attending the Community Club meeting in October to connect with business owners about recycling.

*Motion by Paulson, second by Lansin to adopt the phrase “Amery encourages recycling to reduce waste to ensure a better future” as the official slogan of the committee.*

**Ayes – 4**

**Nays – 0**

**Motion carried.**

2. **Electronics Recycling:** The county rents the trucks they use for the electronics event, so they only have enough trucks for one location. Gloria will invite Tina to a recycling committee meeting to see if there is a way the county would partner with Amery for this in the future.
3. **Keep America Beautiful Grant:** The grant program is not open for application currently. The committee reviewed a list of potential application questions and answered them. Once the grant opens, the committee is ready to apply.

*Motion by Elkin; seconded by Manor; to adjourn at 11:12 am.*

**Ayes – 4**

**Nays – 0**

**Motion carried.**

Respectfully submitted,

Taylor Larson
